

Welcome Back AZALAS Yuma Membership Mixer

You're invited to the first mixer of the year in Yuma on November 19th

Please join us to network and connect with old friends, new members and business partners at the Pint House 265 S Main St. Yuma 85364. Refreshments and snacks will be provided from 5:00 to 7:00 PM in the Private Lounge.

Arizona Latino students will soon be the majority student population in K12 public schools. AZALAS is working at developing leadership for our students. Be part of this movement by joining and participating!

The work of AZALAS would not be possible without the help and sponsorship of business partners like Valley Schools Management Group. This mixer is sponsored by SFE, DLR Architects, McCarthy Construction and Emile. Please stop at the AZALAS registration table for name tags and a couple of complimentary refreshment tickets!! Cash bar will also be available.

Mixer RSVP is requested by November 16th at pcontreras4@cox.net
